

# Status DBDH Focus Group District Cooling

**Location:**

Hotel Hesselet

12th of June 2014

**Tarek Barky**

Focus group DC

**[www.dbdh.dk](http://www.dbdh.dk)**

# Brief overview

1. Why be in a DC focus group?
2. Members
3. Activities/meetings conducted until present
4. Activities planned

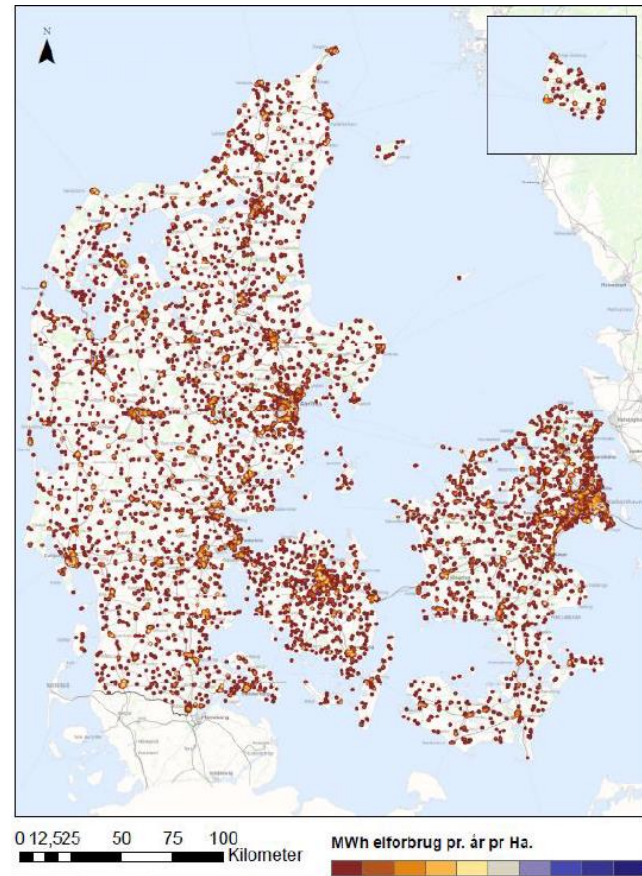

# 1. Why be in a DC FG?

- **Global Market for DC will outgrow DH**
- The **only** Danish forum where you can discuss DC issues on a regularly basis
- **Stronger together**
  - impact on Danish legislation
- **Knowledge sharing**
  - if you consider starting/improving your own DC
- **Future Danish DH will have apx. 35 % heatpumps**
  - ... heatpump = chiller

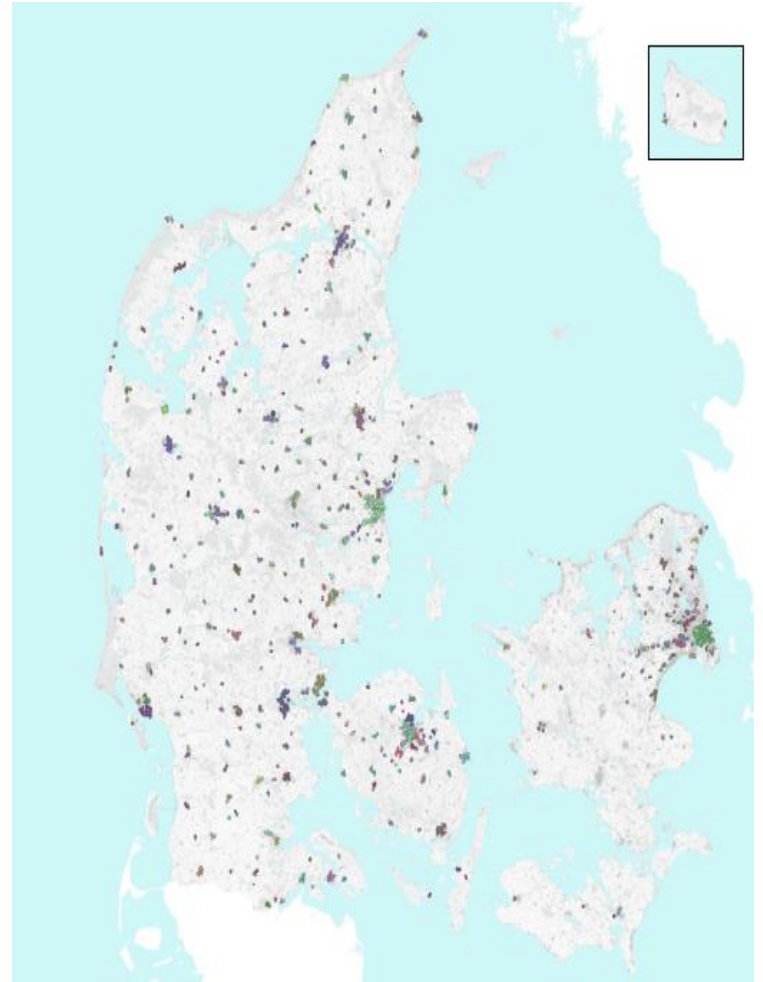

## 2. Members of Focus Group DC

- ABB
- Frederiksberg Fors.
- Grundfos
- Kamstrup
- Dantæt
- Viborg Fjv.
- Høje Taastrup fjv.
- Fjernvarme Fyn
- Helsingør Fors.
- Danfoss
- Rambøll

### 3. Activities/meetings conducted until present

- 2 meetings (next meeting - TBS)
- Consolidation and Strategizing
- Knowledge sharing
- Initiation of membertasks

## 4. Activities planned

- Meeting with Energipolitisk udvalg at Frederiksberg Forsyning
  - Date not scheduled yet
- District cooling Seminar
  - in collaboration with Dansk Fjernvarme (**7. oktober**)
  - **THE PLACE TO BE IF YOU WANT TO INFLUENCE DANISH DC LEGISLATION**
- PIXI book for politicians
  - in collaboration with FIF Marketing og Dansk Fjernvarme
- Establishing a task force to dialogue with politicians consisting of the utility representatives

# Thank you!!!
