# Activities/meetings conducted until present

- 3 meetings (next meeting early July)
- Discussing general effort and approach to the Germany market (Baden Württemberg)
- Participating in AGFW En+Eff-messe in Köln
- Technical excursion to Germany in late June 2014

# Technical excursion to Germany late June

## Highlights:

- DBDH visited Stadtwerkes in April 2014
- Visiting 4 Stw's
- Seminar planned in cooperation with AGFW, Euroheat&Power and Stw. S.H.
- High German focus on Danish DHC-solutions

# Activities planned in the autumn 2014 and early 2015.

To be discussed on next FG-meeting, however proposals could be:

- Delegation visit from Germany to Denmark
- Meeting and following up on leads from the Technical excursion
- Relevant 1-2 day visit in Germany – visiting (among others) EnBW, who have shown a great interest in the Danish systems and competences
- Other...

# Thank you!!!
